<b>Policy Title:</b>  <b>Student Insurance</b>	<b>Effective Date:</b>  <b>November 20, 2013</b>

**Neither the local school nor the Board of Education is responsible for medical bills for students which result from accidents that occur during the school day or at school functions.**

**Student insurance may be purchased on an individual basis through the school. An insurance carrier designated by the Superintendent will make student insurance available through the school on an accident schedule plan. Coverage is not mandatory, but is highly recommended.**

**All students participating in the athletic program are required to take out this insurance coverage, be covered by their family's insurance carrier, or have parents sign a waiver slip. Football players must pay an additional amount for football coverage if buying through the district's student insurance program. Students participating in other inter-scholastic sports must carry the individual student insurance or have a signed waiver on file in the principal's office.**
