

Category: 5000 BUSINESS	Policy Number: 5210
Policy Title: BOMB THREATS	Effective Date: December 15, 2010

The personnel of the District shall cooperate fully with the police in planning and carrying out procedures for dealing with bomb threats. All personnel, including office staff and custodians, shall be given instructions for carrying out their responsibilities in the event of such a situation.

Any student involved in bomb threats against a school shall be referred to the Board of Trustees for recommended expulsion, and the proper authorities will be notified. A bomb threat includes, but is not limited to, placing or detonating a bomb, or verbal or written threats of bombs.
