Policy Title: Transportation – Personal Use of District Buses	Effective Date: January 20, 2017

School bus drivers have authorization to operate school buses as required to complete assigned bus routes or approved activity or field trips or to obtain necessary fuel or maintenance. The use of a school bus as personal transportation to visit stores, the homes of friends, church, etc., even when such location is near assigned bus routes, is unauthorized use of school buses.

Any unauthorized use of school buses will be grounds for immediate dismissal as a bus driver for Snake River School District.
