

Category: 8000 STUDENTS	Policy Number: 8005
Policy Title: STUDENT HANDBOOKS/ REGISTRATION GUIDES	Effective Date: April 11, 2001

The growth of a student, both academically and personally, reflects not only the educational programs and goals of the district, but also the atmosphere in which the student attends school. To the extent possible, the district is committed to providing an educational setting where the students feel safe, are challenged to grow academically and personally, are treated with respect by the district personnel and other students, and are disciplined fairly by district personnel.

To provide such an educational setting, policies and procedures have been adopted, as mandated by the Idaho State Board of Education in the following areas:

1. School Climate
2. Discipline
3. Violence Prevention
4. Student Harassment
5. Student Health
6. Gun-Free Schools
7. Substance Abuse: tobacco, alcohol, and other drugs
8. Suicide Prevention
9. Drug-free School Zones
10. Building Safety, including Evacuation Drills
11. Family Educational Rights and Privacy Act (FERPA)

All student handbooks/registration guides are approved policy of the Board and are identified under the above policy number. The complete student handbook/registration guide for each school is on file at the district office and at the respective schools.

Students who violate the provisions of the applicable student handbook will be subject to district discipline policies.

The handbooks/registration guides will be reviewed on an annual basis by the administration and board to determine whether or not they correlate with current district policy and meet the needs of the students, the school district and the community.
