<b>Policy Title:</b>  <b>Accident or Illness and Emergency Care</b>	<b>Effective Date:</b>  <b>January 20, 2017</b>
---------------------------------------------------------------------------	-------------------------------------------------------

All employees of the district shall protect the health and safety of the students and shall take reasonable measures to provide for the emergency care of any student that becomes ill or is injured on school property during school hours, or at a school sponsored event.

The parent/guardian must submit a signed enrollment form which gives consent for emergency medical treatment. This form shall list emergency care information and shall be kept with the student's health records in the office of the school they attend.

Any injury to a student requiring medical attention while under the jurisdiction of the school must be reported to the Superintendent's office by the principal within twenty-four (24) hours of the accident, unless extenuating circumstances delay reporting time.

<b>Policy Title:</b>  <b>Student - Injury or Accident Procedure</b>	<b>Effective Date:</b>  <b>January 20, 2017</b>

Any injury to a student while under the jurisdiction of the school, and which may require medical attention and may qualify for an insurance claim, must be reported to the Superintendent's Office by the principal.

The principal must fill out a student accident report form on each student injured and report the medical attention received by the student.

This report should be made within twenty-four (24) hours of the accident unless extenuating circumstances delay reporting time.

Accident reports and report forms will be kept in the Principal's Office.
