Jeff Baldwin

Jeff Baldwin

Jeffrey Allen Baldwin was born in Pocatello, Idaho, and has lived most of his life in Moreland, Idaho. He graduated from Snake River High School in 1976 and later from Idaho State University. He spent two years in Ecuador serving an LDS mission. Jeff has two younger brothers living in the Blackfoot area, William (Linda), and Joel (Lori). His father, Abram, lives in Shelley and his mother, Donna, lives in Chubbuck. Jeff married his high school sweetheart, Kay Lynne Keller, in 1980. He is the father of five children and the grandfather of six, each listed in Kay Lynne's biography.

Jeff has spent 32 years working for the Snake River School District. He has spent most of that time teaching English and Literature or Biological Sciences. Jeff has a second job during the summer as a Water Master for the Dept. of Water Resources. He enjoys riding around in his little white pickup checking on all of the diversions from the Snake River from Gem Lake to American Falls and also the diversions from the Blackfoot River. Jeff loves to fish, four-wheel, camp, and

re-load. He knows a little bit about a lot of things and a lot about a few things, so he is a fun conversationalist. He is looking forward to spending more time with Kay Lynne and the kids and grandkids.

Kay Lynne Baldwin

Kay Lynne Baldwin

Kay Lynne Keller Baldwin was born and raised in the Snake River School District. She graduated from Snake River in 1977 as Valedictorian. She then attended what is now BYU-I for one year, while writing to Jeff while he was on his mission. She quit school to work as an Administrative Assistant at Bucyrus-Erie in Pocatello to earn money so they could get married when he got home. He got home in February and they were married in the Idaho Falls temple in May. She has four siblings living in the Snake River School District: Kerry (Chris) Christiansen; Kitty (Jeffory) Baron; Keith (Teresa) Keller; and Kendall (Stephanie) Keller. Her mother, Karen Keller, is also still living. She can't count how many nieces and nephews she has, but she has five children: Emma (Kade) Vance, parents of Maddux and Cy; Beckie (Wade) Capson, parents of Noah, Eli, Coleman, and Ella; Hillaree Baldwin; Holly (Brigham) Larsen; and Bridger Baldwin, currently attending BYU-I.

Mrs. Baldwin went back to college at I.S.U. and finished while she was also having her children. She graduated with High Honors in 1987. She then taught third grade for four years at Groveland Elementary. While expecting her fifth child she quit teaching for a while and when she returned

she taught one year of a fifth/second split in Idaho Falls. Since 2000 she has taught 4th grade in Snake River and loved it. In 2007 she was Riverside Teacher of the Year and also Snake River Teacher of the Year. She will miss her students most of all.

Chris Grimmatt

Chris Grimmatt

Chris Grimmatt was born in Burley, Idaho and then later moved to Blackfoot where she graduated from Blackfoot High School. She met and married John Grimmatt in 1970. They have 7 children, 24 grandchildren, and one great-grandchild. Chris has worked for the Snake River School District for 28 years as a school bus driver. She has always loved being a part of the kids' mornings sharing their stories and laughter. She has many memorable experiences with these amazing people. She has watched them grow into adults and now is driving some of their children. She has loved every moment. Chris has also enjoyed the many associations with fellow teachers, coaches, and bus drivers. She has always appreciated the care that our bus mechanic, Galen Sasser, has given her bus and the support and friendship of Sherrye Saxton. This will be her last year to say, "Let's Rock and Roll!"

Peggy Watt

Peggy has been the secretary at the Snake River Middle School for 29 years. There have been seven principals during this time, each one a little different but all of them great. I am married to Stan Watt and we have six children. We, and all of the kids, have graduated from Snake River High School. We like to fish and camp down the Salmon River, garden, read, and go to ballgames. Our children live all over: Utah, Iowa, Ohio, Texas, Washington, and even Idaho. Our children participated in basketball, football, baseball, track, softball, volleyball, ballet, clogging, and wrestling. We counted up that we went to about 3,000 games, dance recitals, gymnastic meets, wrestling matches and track meets in all the years. Great fun!!! We especially loved going to Boise to state competitions. We have 15 grandchildren and two great-grandchildren. They are the best!

I have enjoyed all of the staff and students at SRMS. Retirement will give us time to go on a mission for our church and continue to spoil the grandchildren.

Lucinda Lewis

I was raised in Pocatello, Idaho and graduated from Pocatello High School in 1973. I met my husband, Darrell Lewis, at Elmer's Pancake and Steak House in Pocatello where we both worked, he as a cook and I as a waitress. We were married in 1975 and have been married for forty-one years. We have four wonderful children, Scott, April, Janet and James and we have thirteen beautiful grandchildren.

We moved to Moreland, Idaho in 1978 when Darrell was working for the Union Pacific Railroad and I was a stay at home mom. We lived in Moreland for twenty-two years then decided to build our log home just north of Blackfoot where we have lived for fourteen years.

I started working for Snake River School District in 1991 as a substitute cook in the kitchens. In 1992, I was hired as a part-time cook at Snake River High School where I worked for five months then was transferred to Riverside Elementary as a full-time cook. I became Kitchen Manager at Riverside in 1994 and enjoyed being there for fourteen years. I was then hired as the Food Service Director for the Snake River School District in 2007 where I have worked until now.

For the past twenty-four years, I have enjoyed the students in the District and all the wonderful people I have worked with and those that I had the pleasure to supervise. Thanks to all of you.

I am now ready to retire and enjoy life with my husband, children, and grandchildren. I look forward to sleeping in, quilting, seeing my grandchildren that live in Oregon and Washington more often and traveling to new places we haven't been.
