Moreland Elementary

Moreland students have been participating in Homecoming Activities this week. They were excited to wear their favorite hat or have crazy hair.

Riverside Elementary

Riverside Elementary has gotten off to a great start this year! Our teachers are prepared and enthused, and our students are eager and excited to learn! We have had several changes in our personnel this year. We are happy to welcome Brittany Fuller, Rochelle Taylor, and Robin Henicksman to our 2nd grade team; Sierra May and Jamie Smith to our 3rd grade team; Jodie Stimpson as a Special Education Aide, and Heidi Sasser as a kitchen worker. We have the best staff in the district!

The Riverside Staff has been working hard to screen our students using STAR math, STAR reading, and the State assessment, Istation. The data gleaned from these screeners has been very informative in helping us meet the needs of our students.

Our PTA was on the ball and had their fundraiser organized and ready on August 23rd. It was a family outdoor movie night and silent auction. Many students and families came and enjoyed the free movie, "Wonder," and were able to purchase concessions and make other monetary donations to the PTA. There was also a silent auction which featured some awesome prizes. Lucky winners received photography sessions, various gift baskets, car washes, tickets to the upcoming Evie Clair concert, among many other things. All funds earned go to benefit the wonderful students at Riverside in the way of field trips, library books, and technology. Thank you PTA for your continued generous support!

Rockford Elementary

We have had a wonderful start this school year. Sheriff Dougal came the first day of school and deputized the staff. The deputies and Sheriff Dougal explained Rockford rules. Mrs. Vogler came up with the "Rockford Rap". We have enjoyed learning it and will do it at our attendance assemblies every month.

Snake River Middle School

Back-to-School was held on August 14th. Students and parents had the opportunity to meet with teachers and staff as we began the 2018-2019 school year.

We would like to welcome the following new staff members to SR Middle School: Mrs. Raegan Coles is teaching 6th grade. Mr. Chad Porter is the School Counselor. Mrs. Lori Chavez and Mrs. Summer Gibbs are paraprofessionals working with Mrs. Morgan. Mrs. Leah Lyman is working with Title 1 students, and Mrs. Macy Carlson is the LEP specialist.

Picture day was held on August 22nd. Retakes are scheduled for October 11th. Students have received their new lunch and library cards.

5th grade students have completed their plant projects and are working toward completing a minimum of five math objectives each week. 6th grade students are working on a forensics unit in Science. They are using fingerprinting as a way of solving crimes while applying the scientific method.

Maturation Day was held Thursday, September 13th at 2:00 for 5th grade girls.

5th and 6th grade students will show their school spirit in support of Homecoming Week September 17th – 20th. Monday- Pajama Day, Tuesday- Crazy Hair/Hat Day, Wednesday- Favorite Sports Team Day, and Thursday- Panther Pride Day.

Harvest Break will begin September 21st - October 7th. When students return to school on October 8th, they should be at 50% of their Independent Reading Goal. This break provides an opportunity for students to move ahead on core class requirements. Students are able to access Accelerated Math, IXL Grammar and Reading skills, as well as, Greek and Latin Roots for 6th grade, from a home computer using their school login and password through Google Classroom.

We encourage parents to log on to Power School. This is a valuable resource in helping students stay current with assignments and grades.

We would like to thank our maintenance crew for installing hand sanitizers in our hallways to accommodate those students with food allergies.

Parent Volunteers are always appreciated. Please contact Mrs. Ranstrom if you are able to spend time with the students and staff at SRMS.

Snake River Jr. High School

The 2018-2019 school year had a great start. We had a well attended back to school night August 14th that included getting schedules, getting lockers, meeting teachers and offering the annual immunizations for the 7th graders from the Health Department. It was all a success! Girls Volleyball is underway. Both our 7th grade and 8th grade are having a winning season. Snake River Jr. High is hosting the District tournament on October 12th starting at 9 A.M. We are so excited for the new school year because we have amazing students that are working hard!

Snake River High School

Yearbook Award

The Snake River High School yearbook is pleased to announce that their 2018 yearbook was inducted into the 2018 Walsworth Gallery of Excellence. The Gallery of Excellence showcases the best yearbooks printed by Walsworth, and only a small number of books are chosen based on their superior use of theme, coverage, design, photography, and writing.

The 2018 yearbook was distributed to other schools and at workshops as examples and idea-generators. The book will also be displayed at regional, state, and national conventions and workshops. The book may even be featured in Walsworth educational materials.

This is a huge honor for the staff of The Print, who are busy developing the 2019 book already.

Principal Ray Carter said, "Shayla Martin has done amazing things with the Yearbook and the Yearbook Staff at Snake River High School. As she begins her 4th year as a teacher, for her and her staff to win that award into her 3rd year-- what an outstanding accomplishment! Credit also goes to Kristen Godfrey the editor of The Print, who will also be the editor again for 2018-2019. SRHS is very fortunate to have Shayla and Kristen and all the other students involved in the Yearbook. They do a great job."

Counselor Award

Brian Goff is the 2018 Eastern Idaho Counselor of the Year! Congratulations!!

Tadd Jenkins Car Fundraiser

Through the generosity of car dealership Tadd Jenkins of Blackfoot, the 2018 Ford Fiesta was unveiled at the football game on September 14, 2018. It will be raffled off at a time next year. The purpose of this gift is to supplement the fundraising of all sports and activities of Snake River High School. Tickets for the 2018 Ford Fiesta are \$10.00. All proceeds will go to benefit students of Snake River High School. \$7.00 will go directly to the specific sport or activity of the ticket sold. \$2.00 will go directly into the General Athletic/Activity fund of Snake River High School and \$1.00 will go into the General High School account.

Snake River School Community Library

We have had a fun month already with our children's book club starting back up. We are pleased to announce that Jill Munson is in charge of the book club this year. The club meets twice a month, every 1st and 3rd Wednesday and is open to grades 2-8. We are also hosting an adult book club that will be meeting bi-weekly through November. On Fridays we host art classes for kids ages 4 and up. We are looking forward to a wonderful workshop in October presented by alumni, Adrian Ropp. Adrian is an artist that specializes in cartoons and animation. He is well known for his work in the hit game, Disney Infinity where he was the lead story artist for several years. This workshop will be open to ages 8 and up and is sure to be a hit. You can sign up and register in the library. Call for any questions.
