<b>Policy Title:</b>  <b>Curriculum Goals and Objectives</b>	<b>Effective Date:</b>  <b>November 14, 2001</b>

The district is dedicated to ensuring that all students are provided with the necessary skills and competencies for meeting the Achievement Standards as set forth by the Idaho Legislature.

Under the direction of the Superintendent, the district shall implement the state-approved Achievement Standards and appropriate assessments to evaluate student progress and enable them to succeed.

The curriculum of this district shall:

- be consistent with the philosophy, beliefs and goals of the Board of Education.
- clearly define a set of educational objectives for each grade level K-8 and each course of study 9-12 in the core curriculum areas of math, language arts, science, social studies and health.
- provide for continuous learning through effective articulation and coordination.
- challenge students with well-rounded, rigorous academic goals aligned with state standards and testing.
- include a monitoring structure to maintain quality control of the written, taught, tested and reported curriculum.
