*Yellow marked dates are in question still of the exact date.

*JV players play 9 hole matches unless decided differently by coaches.

*This is a rough draft schedule. If you see anything you want changed or is wrong let me know.

*This gives each team 9 of 10 allowed tournaments. This allows you to schedule one on your own with a team of your choice. Some coaches have mentioned they would like to have this flexibility. For example: I have scheduled my varsity girls to play in the Buhl Invitational and Grace wanted to schedule Cole Valley. 6th District Teams are looking for matches.
