Policy Title: Definition of Certificated Employee	Effective Date: July 15, 2020

A certificated employee is any person employed in a teaching, instructional, supervisory, educational administrative, or educational and scientific capacity in this school district.

Every person who is employed to serve in this district's elementary or secondary schools in the capacity of teacher or administrator is required to have and to hold a certificate issued under authority of the Idaho State Board of Education. The certificate must be endorsed for the grade, grades or subjects the employee is hired to teach unless an alternative authorization is received from the Idaho State Board of Education.

Each certificated employee is personally responsible for maintaining and renewing his/her teaching certificate and endorsements.
