Snake River Valley Basketball Club Consent Form

When a person practices and participates in any sport or physical activity, it can be dangerous. The person risks serious and permanent injury. Injuries could affect the general health and well-being on the participant. Serious injury could impair a person's ability to earn a living and to engage in social and recreational activities in the future. My son will participate at their own risk.

The parent / guardian further releases the Snake River School District and Snake River Valley Basketball Club and coaches from liability for any medical, dental, or hospital bills occurring as a result of injuries sustained by the student while participating.

IHSAA does not require students to carry health insurance, but as a club and school we encourage students to carry health insurance. On the Snake River School District website there is a form that students can get health insurance coverage. The health insurance coverage is not through the school but is offered through an independent insurance carrier.
