Child Find is designed to identify children who may have individual needs that result from disabilities or developmental delays.

Physically Handicapped * Cognitive Impairment
Emotionally Disturbed * Chronically Ill
Visual/Auditory handicap * Speech Impairments
Developmentally Delayed (3, 4, and 5 years old), delay in one or more of the following areas:
Receptive Language * Expressive Language
Cognitive Abilities * Gross/Fine Motor
Social/ Emotional or Adaptive

General guidelines for children: Did your child?

By 6 months: Sit up, hold objects, and vocalize attitudes
By 1 year: stand, pick up small objects, and use single words
By 2 years: walk well, sort objects, some two-word sentences
By 3 years: Climb stairs, cut with scissors, ask simple questions
By 4 years: Balance on one foot, cut out basic shapes, tell age
By 5 years: hop, skip, draw simple shapes, tell a story
