Financial Fraud and Theft Prevention

All District employees, Board Members, consultants, vendors, contractors, and other parties maintaining a business relationship with the District shall act with integrity and due diligence in matters involving District fiscal resources.

The Superintendent shall be responsible for developing internal controls designed to prevent and detect fraud, financial impropriety, and fiscal irregularities within the District. Every member of the District's administrative team shall be alert for any indication of fraud, financial impropriety, or irregularity within his or her areas of responsibility.

The Superintendent shall investigate reports of fraudulent activity in a manner that protects the confidentiality of the parties and the facts. All employees involved in the investigation shall be advised to keep information about the investigation confidential. While investigating and responding to the financial fraud allegations, the Superintendent or Chair of the Board will give priority to avoiding possible retaliation or reprisals.

Staff Responsibilities

Any employee who suspects that financial fraud, impropriety, or irregularity has occurred shall immediately report those suspicions to their immediate supervisor and/or the Superintendent or designee who shall have the primary responsibility for initiating necessary investigations. Additionally, the Superintendent shall coordinate investigative efforts with the District's legal counsel, auditing firm, and other internal or external departments and agencies, including the county prosecutor's office and law enforcement officials, as the Superintendent may deem appropriate.

An employee who believes they have suffered reprisal, retaliation or discrimination for a report under this policy shall report the incident(s) to the Superintendent or designee. The Board will attempt to ensure that no employee who makes such a report will suffer any form of reprisal, retaliation, or discrimination for making the report. Employees are prohibited from preventing or interfering with those who make good faith disclosures of misconduct. This policy shall not apply when an employee knowingly makes a false report.

In the event the concern or complaint involves the Superintendent, the concern shall be brought to the attention of the Chair of the Board who is hereby empowered to contact the District's legal counsel, auditing firm, and any other agency to investigate the concern or complaint.
