

March 16<sup>th</sup>, 2022

Dear Parent(s):

One of the pieces of Idaho's new school accountability system is a parent survey. This survey asks for your input on several topics to help measure how each school in Snake River School District is doing in meeting your needs and the needs of your student(s).

To access the survey, visit <https://eprovesurveys.advanc-ed.org/surveys/#/action/184180/p31637>  
Then pick your student's school from the drop-down menu. If you have students in different schools within our school district select the drop-down menu for each school (for students who attend SRHS, choose Snake River High School).

The survey should take only 5-10 minutes to complete and your responses are anonymous. You can submit your survey until April 1, 2022.

We will use these survey responses to identify opportunities to maximize satisfaction, engagement, and communication. Additionally, the state will report the results and the number of responses on Idaho's new school report card (<https://idahoschools.org/>).

Thank you for participating in the survey.

Sincerely,

Ray Carter  
Principal  
Snake River High School
