Certificated Staff Grievances

It is the Board's desire that procedures for settling certificated staff grievances be an orderly process within which solutions may be pursued. Further, that the procedures provide prompt and equitable resolution at the lowest possible administrative level. Additionally, it is the Board's desire that each certificated employee be assured an opportunity for orderly presentation and review of grievances without fear of reprisal.

Grievance Definition

A grievance pursuant to this policy shall be a written allegation of a violation of Board approved District policies or a written allegation of a violation of the Negotiated Agreement between the District and the teachers' association.

The specific procedure to address a grievance is outlined in district procedure 5250p, "Grievance Procedure for Certificated Staff," and the Negotiated Agreement Article III.
