Dental	\$11	\$35.22	\$34.18	\$68.04	\$58.40	\$99.54

Most select PPO as there is very little difference in offices/hospitals compared to the traditional plan.

The PPO has an individual \$350 individual and \$950 family annual deductible in network.

Out of network \$600 individual/ \$1700 family.

Check out the plan <https://ogi.idaho.gov/medical/>

\$76 is your minimum out of pocket monthly deduction for the PPO plan \$26 for the High Deductible, unless you chose to waive the insurance option.

In that case, you receive a \$3000 annual payment to support insurance on your own; To be paid biannually (November/April) or equally over 12 months.

This is a great option if your significant other already has insurance.
