

Snake River School District #52

NONINSTRUCTIONAL OPERATIONS

8300P9

Broken Water Main

In the event of a broken water main in the building, or on the grounds:

1. The water main shall be turned off;
2. Notify the building principal;
3. Water in the building shall be removed immediately to prevent damage to floors and floor coverings; and
4. The building principal shall notify the maintenance director, district office, and local water department to coordinate any activities necessary to correct the emergency.
